

## **2016 Living Youth Camp – Waihi Beach New Zealand**

As many of our youth in this region are unable to attend the Teen Camp in the US, we have understood the need to provide our youth with a similar opportunity. Church camps held overseas have been a huge success and we will again be using the hugely successful LYC template as our model. These camps are specifically designed to encourage our young people and equip them to deal with the many challenges that face them in society today. LYC offers a positive environment where Christian living and Biblical values can be imbibed and learnt.

We are excited to announce that God has again opened the doors for us to hold our second combined Australia-New Zealand LYC Summer Camp in the beautiful regional New Zealand coast at Waihi Beach, located on the east coast of the North Island.
